

Authorization Letter

January 28, 2020

To: To whom it may concern,

This letter is to inform you that the Company Sib Controls LLC is an official supplier of Williamson Corporation in the Russian Federation.

Founded in 1951, Williamson corporation is a manufacturer of industrial infrared thermometers (pyrometers). Williamson has over 60 years of experience improving process control and product quality through non-contact temperature measurement. Williamson products serve the metals, petrochemical, flame fired processes, and engineered product markets. Williamson pyrometers are best known for the ability to tolerate misalignment, optical obstruction, and emissivity variation.

With this letter, the company Sib Controls is authorized to participate in official tenders on delivering Williamson Corporation products and services in the Russian Federation.
